ULBS

LUCIAN BLAGA University of Sibiu is a dynamic university, which is visible throughout its history.

Founded on the tradition of the 225 years of higher education in Sibiu, LUCIAN BLAGA University is, at the moment, one of the most competitive universities in Romania.

The quality of education and research in LBUS is appreciated and rewarded by the state evaluation institutions, LBUS being acknowledged as "Academic Center of Excellence" and one of the few universities throughout the country whose scientific research has been acknowledged.

Promoting values such as the entrepreneurial and innovative spirit, quality research and openness, LBUS encourages its students to develop their creativity and potential, preparing and supporting them in developing a successful career.

FES - Faculty of Economic Sciences

The Faculty of Economic Sciences of LBUS is a gateway into the exciting but tumultuous field of economy.

The economic area of higher education functions as a unit in a variety of ever-increasing specializations that compose it. Responding to these trends, the Faculty of Economic Sciences of LBUS follows a direction of development whose coordinates are value, initiative, responsibility and competence, and its performance is characterized by innovation, dynamism, rigor and quality in full compliance with all the higher requirements of national and European academia.

For this purpose, the mission of the Faculty of Economic Sciences is one of teaching and scientific research, continuing the overall education efforts, the appropriate present or future training requirements to form highly trained specialists in economics, with scientific knowledge skills and abilities at the level of European and international performances and in compliance with the requirements of the labour market.
