

Summer course on Multilingual and Intercultural Communication Competence (MICC) for International Projects at the University of Jyväskylä, Finland 27-31 May 2024

The Erasmus Blended Intensive Programme Course Multilingual and Intercultural Communication Competence (MICC) for International Projects (3 ECTS) brings together students from around the world into beautiful and sunny (incl. midnight sun) Jyväskylä to take part in an international project.

The course engages students in an international project and offers tools for analyzing and enhancing intercultural communication competence in different contexts and situations. The course is suitable all for all study fields and study levels.

The 3 ECTS course comprises of meeting on-line and a live intensive week in Jyväskylä, Finland:

- First on-line meeting on 29 April 2024 at 8:30 - 10.00 CET
- Second on-line meeting on 13 May 2024 at 10.15 - 11.45 CET
- Live contact teaching week in Jyväskylä 27-31 May 2024

During the week in Jyväskylä, the social programme ensures that you will get the most out of your experience by getting to know Jyväskylä and Finland and by creating unforgettable memories with your fellow students.

The course and the social programme are free of charge for the participating students. Students must pay for their travel expenses, accommodation and meals, etc. Students from Europe should check with their home universities for possible Erasmus BIP-funding and/or BIP-status

Application deadline 12 April 2024.

The course is organised together by four universities:

- Centre for Multilingual Academic Communication - Movi at the University of Jyväskylä, Finland
- University of Burgundy, France
- Johannes Kepler University Linz, Austria
- Chiba University, Japan
